## Stage Two - Draft Amendment Bill

Submitted At: 16 Nov 2023, 12:00 AM

Field	Value
Date	2023-07-03
Summary	The amendment emphasizes improved infrastructure, equitable access to clean water, and community participation in water management to ensure efficient and transparent service delivery across the county.
Please indicate if gender review was done	Yes
If Yes or No, please provide a brief explanation (optional)	It went on well

## Stage Three - First Reading

Submitted At: 16 Nov 2023, 12:00 AM

Field	Value
Date	2025-11-06
Summary	First Reading of the Lamu Water Amendment Act, the Bill was formally introduced to the County Assembly, outlining its primary objective of improving the governance and efficiency of water service delivery in Lamu County. The reading highlighted the need to update existing legislation to reflect current challenges in water resource management, strengthen institutional oversight, and ensure equitable access to safe and affordable water.

## Stage Four - Committee Stage + Second Reading

Submitted At: 16 Nov 2023, 12:00 AM

Field	Value
Date	2025-11-01
Summary	During the Committee Stage and Second Reading of the Lamu Water Amendment Act, Members of the County Assembly engaged in an in-depth review of the Bill's provisions, focusing on clauses related to governance structures, regulatory oversight, and equitable water distribution. The committee gathered input from key stakeholders, including community representatives, water service providers, and relevant government agencies, to ensure the amendments addressed practical challenges in water management.

## Stage Five - Third Reading + Final Voting

Submitted At: 16 Nov 2023, 12:00 AM

Field	Value
Date	2025-07-03
Summary	During the Third Reading and Final Vote of the Lamu Water Amendment Act, the County Assembly reviewed the finalized version of the Bill, incorporating amendments proposed during the committee stage. Members expressed broad support for the legislation, recognizing its significance in enhancing accountability, improving water infrastructure, and ensuring equitable access to clean water across Lamu County. After deliberations, the Bill was unanimously passed, marking a key milestone in the county's efforts to strengthen water governance and promote sustainable management of its vital water resources.

## Stage Six - Governor Assent

Submitted At: 16 Nov 2023, 12:00 AM

Field	Value
Date	2025-05-07
Summary	Following its passage by the County Assembly, the Lamu Water Amendment Act was presented to the Governor for assent. The Governor officially signed the Bill into law, signifying executive approval and the county's commitment to improving water governance and service delivery. With the Governor's assent, the Act now provides a strengthened legal framework for the sustainable management of water resources, enhanced accountability of service providers, and equitable access to safe and reliable water for all residents of Lamu County.
