Tana River County Water And Sewerage Act 2024

Stage One - Draft Bill

Submitted At: 18 Jul 2024, 12:00 AM

Field	Value
Date	2026-01-16
Summary	The County water Act defines the roles for the county government and its executive in planning, financing, delivering and monitoring water and sewerage infrastructure and services; mandate development of a county water and sewerage services strategy aligned with national standards; and set institutional arrangements, including the water services provider with responsibilities for operations, consumer service, tariffs, and infrastructure expansion. The act aims to fulfill the constitutional rights to clean and adequate water and reasonable sanitation at the county level.
